El Camettes Schedule Test For Next Year's Pep Squad

El Camettes, El Camino drill team will hold annual tryouts Friday from 2 to 6 p.m. with official practice dates set for May 11 from 2 to 6 p.m.

The "high-stepping" young coeds perform at all college football and basketball events and rallies. Originated in the fall of 1957, the group presently has an annual membership of 40 girls, drawn from the ECC student body.

Applicants are required to learn one El Camette dance routine for the tryout and meet certain other standards to be eligible for membership. Practice dates are scheduled with present Camette members present to teach "tryout" routines to prospective performers in the women's gym on the ECC grounds.

HEIGHT should be 5'2" to 5'8" with average weight. Some experience in either dance, drill team, yell leading or the equivalent, applicants must be enrolled in at least 12½ units for the fall semester.

Transportation is provided by the student body as are meals and lodging for all "away" games. The college requires El Camettes to come under the governing of the Associated Student's Constitution, and to ride on the provided transportation.

BECAUSE both rehearsals and performances are slated for Saturday nights during football season, members of the drill team are advised not to be employed at conflicting hours.

Individual members of the group are responsible for boots, tennis shoes, and socks. Costumes are provided by the college, while care of the outfits is left to the individual members.

HIGH SCHOOL seniors are invited by Mrs. Betty Hershey, faculty adviser of the group, to seek membership for the fall season.

Tryouts for yell leaders, also open to incoming high school graduates, will be conducted on May 9 from 3 to 5 p.m. on the college campus.

Northrop Names New Air Force Representative for Area Plant

Major Charles W. Clark, a U. S. Military Academy graduate with 11 years experience in aircraft and missile production, has been named Air Force Plant Representative at Northrop Corp.

Major Clark will officially assume his new duties July 1. His office will be located at Northrop Corp.'s Norair Division in Hawthorne.

Major Clark succeeds Colonel Harold T. Morris, Air Force Plant Representative at Northrop Corp. since 1958, who is retiring from active military service.

Showing of Film by CHP Set Overseas

A California Highway Patrol film which pictorially depicts the duties of the typical traffic officer has been selected for overseas showing by the United States Information Agency.

Patrol Commissioner Bradford M. Crittenden revealed the decision by USIA to use the 22-minute movie "Day in the Life of a Highway Patrolman."

"USIA motion picture chief Turner Shelton praised the film as representative of the high type of American law enforcement," the commissioner pointed out.

Distribution by the governmental agency means the movie will be viewed in a number of foreign nations, as well as by many other law enforcement agencies.

In addition to showing the traffic officer's accident investigation duties, the film depicts his training, enforcement work, and special related functions. Television performer Art Baker narrates the film, portions of which are set at the Patrol's Sacramento Academy.

The film already has received a wide showing in California before service groups, clubs and driver education classes.

Rabbi Helman Gives Subject for Friday
